## International Cooperation in the Fight against Trafficking of Nigerian Minors and Young Women to Italy INTERNATIONAL CONFERENCE

SIOI - Piazza San Marco, 51 Rome (Italy)

### Agenda

The UNICRI anti-trafficking program in Nigeria is based on an integrated multidisciplinary strategy, in support of prevention, prosecution and protection measures.

The outputs of the intervention are presented on the occasion of the final international conference with the participation of Nigerian and Italian project's partners and stakeholders.

Working languages of the Conference are English and Italian, interpretation service will be provided.

**To confirm your participation please fill in the attached form and send it to [terzi@unicri.it](mailto:terzi@unicri.it) by 23 April 2010.**
