

Governance fit for children?

How far has the UNCRC general measures of implementation been realised in Europe?

- 5 countries
- 5 Save the Children (SC) organisations
- Save the Children Sweden (SCS)
 - coordinates the project

- Italy
- Lithuania
- Romania
- United Kingdom
- Sweden

**National and local research in these countries
...and research on the EU-institutions**

Research methods

- Desk studies
- Interviews:
 - Policy makers
 - NGOs
 - Children

In the spring 2011

- National reports
- Comparative regional analysis
- EU-report
- Child friendly intro to GMI
- National seminars
- Local seminars
- EU-seminar

Advocacy

- Interviews as research method
 - Dissemination of the reports
 - Recommendations and positive developments
 - Seminars spring 2011
 - Include in our ordinary advocacy
 - Include in work plans and projects
-

Would it be of interest for you to work with the GMI? If so why?

How can your organisation work with the GMI?

- Use the reports from the SC project “Governance fit for Children”
- Use the unicef GMI database
- Include in your ordinary advocacy
- Include in work plans and projects
